## PRESIDENT'S CORNER

*by A. Gervais Compton, Jr.*

Compatriots, Ladies Auxiliary  
Members, and Friends

Let me begin by thanking each of you for your support in this Presidency. It is indeed an honor to serve the Chapter named for my patriot ancestor. I am looking forward to working with you all in the coming year and ask for your input for improvements and additions to the Chapter.

This year, as in every year, lets continue to work on adding new members as well as getting previous members reinstated. I think we all know someone, that for whatever reason, has fallen off the rolls—Let's get them back! At last count, we had seventy-six members. Let's shoot for an even one hundred!

In closing, let me remind everyone the meetings will start on time—11:30A.M. Please be ready to go in order for the meeting to move along in an orderly fashion. The next chapter meeting will be held on March 16, 2024 at The Forts Randolph & Buhlow Historic Site. Look forward to seeing you there!

## EDITOR'S NOTE

Compatriot,

I hope you enjoy this Newsletter. Although I have enjoyed publishing it, I hope that you can see that it will truly be a lot of work for just one man. Therefore, I am asking each one of you to think of something that you can contribute to it each quarter, that way, it can truly be "Our" newsletter.

The first thing that I'm going to ask you to contribute is you and your wife's birth and anniversary date, I do not need the year, just the month and day. The next thing that I'm asking for is your Patriot Ancestor's Name, Rank, Unit or Service that he performed for the American Revolution.

I'm next going to ask you to write a short story about your Patriot Hero so that I can include it in a future issue of our newsletter. I was fortunate that someone else had done the research on my ancestor, not only by book, but also by making a

movie. You don't have to follow in my footsteps, you can just write a few short paragraphs.

Any time you have questions or suggestions, please feel free to contact me at:

## LAST MEETING

The regular bimonthly meeting of the Enemund Meullion Chapter of the Louisiana Society Sons of the American Revolution was held at Forts Randolph & Buhlow State Historic Site in Pineville, LA.

President Mike Lee called the meeting to order with fourteen members and thirteen guests in attendance. Lee welcomed everyone and asked for an introduction of guests.

Chaplain Clyde Neck opened the meeting with the Invocation and then Sue Lee of Loyalty Chapter DAR led the Pledge of Allegiance. Gervais Compton led the Pledge to the SAR.

President Lee presented Vice President Eric Irby, our guest speaker, with a Certificate of Appreciation for his presentation on the history of Revolutionary War artillery. A Treatise of Artillery by John Muller was the most influential work on artillery published in English during the second half of the eighteenth century. It was studied by British and American artillery officers. American craftsman constructed gun carriages and mortar beds from the schematic drawings in the Treatise. In fact, Irby used a drawing of a British artillery piece to build his howitzer that he brought to demonstrate after the meeting. Irby also brought examples of other types of artillery ordnance, such as grape shot and canister shot.

President Lee read the biography of Sgt. Brandon Spillman provided by Capt. Reggie Sanders of the Avoyelles Parish Sheriff's Office. Lee presented Sgt. Spillman with the SAR Law Enforcement Commendation Medal and the SAR Life Saving Medal.

A motion was made, seconded, and passed to approve the previous meeting's minutes. Secretary Brent Morock reported that the current chapter account balance is \$2503.54. He stated that the chapter has 72 members, including 2 Dual Members. A motion was made, seconded, and passed to approve the report.

In Committee Reports, James Morock, Sr., M.D. "Dr. Morock", stated that committee members met on January 10, 2024, at Broken Wheel Brewery in Marksville, LA, to discuss future awards and the marking of graves. Kenneth Gremillion's and Dr. James DeLee's graves are next to be marked. Permission from family members will be sought. A Bronze Meritorious Service Medal and at least one Flag Certificate were approved to be awarded. President Lee will look into awarding Mike Lawton of Holiday Village Fire Department posthumously with the Fire Safety Medal.

The Chapter Bylaws still need to be updated. Corrections and additions will be made and sent to Henley Hunter for review and approval.

Dr. Morock once again talked about America's First Medals Set (1973) – a donation for the Enemund Meullion Chapter to raise funds for LASSAR's contribution toward the 2027 NSSAR Congress in New Orleans, LA. \$20 per ticket grants you a chance to win the item. Tony Vets presented the Oliver Pollock lapel pin, one of the LASSAR's fundraiser items. \$25, cash or check, for LASSAR is the cost of pin.

LASSAR President Randall Domingue inducted the 2024 Officers – President Gervais Compton, Vice President Darrell Poole, Secretary-Registrar-Treasurer Brent Morock, and Chaplain Clyde Neck. Outgoing President Lee presented incoming President Gervais Compton with his new President Ribbon Set. Teresa Compton helped adjust the ribbon around her husband's neck.

President Gervais Compton presented Past President Mike Lee with his Past President's pin and the Bronze Meritorious Service Medal.

As his first order of business, President Compton asked those assembled to consider changing the name of the chapter by adding "Dr." before Enemund Meullion Chapter. A motion was made, seconded and passed for this long overdue change.

A list of potential names of the chapter newsletter was circulated for the membership to vote on while the meeting continued. The Rapides Post Dispatch was the name chosen and the newsletter will be published by Joe Reynolds.

A date for Turner Bynum’s grave marking has not been formally set, but it is desired that the ceremony takes place after proper notification of the LASSAR Color Guard and preferably when the weather is warmer (March-April) but not too hot (Summer).

Vice President Cheryl Morock of the LASSAR Ladies Auxiliary asked the membership if they enjoyed the meal. The price will have to increase a few dollars. Morock also passed the hat to collect money to pay for the chapter’s 2024 April LASSAR Silent Auction items. The next meeting will be March 16th at Forts Randolph & Buhlow State Historic Site.

Joe Reynolds asked if there were any questions about the chapter website: <https://www.emclassar.org>. The quarterly newsletter will be published next month and will be available on the website. If Officers do not like their pictures on the Officers’ page, Reynolds would like to be provided with a picture.

Pat Ryan asked if there was a genealogy chart available for potential members to fill out for membership. Information will be emailed to him later. Past President Lee asked for a picture of Past Presidents to take place after the meeting. Past Presidents James Morock, Sr., M.D., Pat Ryan, Mike Sawrie, Mike Lee, and new President Gervais Compton posed for a photo after the meeting.

Thomas EBarb and Tony “Bo” Vets II were not in attendance.

Marlene Sawrie asked for the LASSAR Ladies Auxiliary to be formally added to the agenda. A motion was made, seconded, and passed to adjourn the meeting. Neck offered a closing prayer and President Compton led the SAR Recessional.

American line however had orders - two volleys and then retire to the right. The British mistake the repositioning of the Americans as a rout and ran forward straight into Morgan’s awaiting regulars. The Militia then circled the battlefield and engaged from the left with devastating effect. The British forces collapsed with 100 killed and 229 wounded while an additional 600 are captured. The American losses total only 12 killed and 60 wounded.

Tarleton, his legion destroyed, fled the field to report the disaster to General Cornwallis.

How does one inform his superior that he has lost 17% of his troops?

**January 17, 1781**

Having been sent out to defeat General Daniel Morgan, on January 17th Lieutenant Colonel Banastre Tarleton catches up with his quarry at a place the Locals called the Cowpens. The forces are equally numbered, but Morgan chose this place for the battle, which commences early in the morning as Tarleton orders his Dragoons to engage the front line of Morgan’s troops. The Dragoons however were beaten off, forcing Tarleton to launch an assault with his infantry.

Tarleton’s troops were exhausted and needed rest. Tarleton however expected them to easily disburse the Patriots, which he believed were only militia. The

**The Winter at Valley Forge**

Imagine spending a winter in a makeshift hut with no central heating, scant food supplies, and threadbare clothing. That was the reality for Washington’s troops during the infamous winter at Valley Forge in 1777-78. Frostbite and disease were as much a threat as the British, and yet, they endured. Your thermostat suddenly doesn’t seem so uncooperative, does it?

**Fun Fact:** Did you know that during this winter, a Prussian military officer named Baron Friedrich von Steuben arrived at Valley Forge and helped train the

Continental Army, significantly improving their military skills and discipline?

## OUR AMERICAN PATRIOTS

**Hans Heinrich (John Henry) Felder**  
*5<sup>th</sup> Great Grandfather of Compatriot*  
*Larry Joe Reynolds*

In the early settlement of Orangeburg Township, the names of a multitude of Swiss immigrants made up the rolls of the newly arrived lot. Optimistic with the prospect of a new life, the Swiss arrivals hoped to mimic the success of other Swiss townships in the new Carolina like Purrysburg on the Savannah. One of the arriving hopefuls was Swiss immigrant Hans Heinrich (John Henry) Felder. Felder was one of the several boatloads of German and Swiss natives to come to the area of current day Orangeburg in the 1730's.

By 1747, Felder had begun to lay his roots in the area near St. Matthews Parish. Felder began a family by

marrying Mary Elizabeth Shaumlöffel and fathering seven sons. The roots took even greater hold as Felder served as Justice of the Peace and Justice for the Quorum in the area. In 1763, Felder remarried and added another five children to his household. A good number of deeds and other civic documents attest to Felder's role in the post-settlement era of Orangeburg district. Felder had cut his own little niche in the new America and was making the most of it. However, the last third of the 18th century would force the father of twelve to consider issues that lie beyond the confines of his home district.

In 1775, the Crown responded to rising malcontent in the Colonies by ordering the blockade of the port of Boston. In the fallout from this and other actions, Felder joined fellow Independence minded "Whigs" in enforcing the Continental Association. The rather matter of fact name of the organization says little of its importance. The Association was one of the first steps in severing the ties with the British Crown and called for the dissolution of ties with the King. In 1775, Felder joined fellow "Patriots" in being elected to join the Second Provincial Congress from St. Matthews Parish. While a member of the body, the now historic Constitution for the Independent South Carolina was passed. There was no doubting where Henry Felder stood in the coming Revolution. The Swiss would cast his lot with the Independence movement.

Felder's initial participation in the war was in supplying the fledgling Whig government with much needed Gunpowder. However, the Swiss would not allow his role to be that of just collaborator. Felder enlisted the help of his seven sons and others as a militia company for the area. Felder held the rank of Captain of the Whig body. As in most cases of these "Americans versus Americans" scraps in the South Carolina backcountry, few official records survive. Colonel Paul Felder recounted an old Barnwell district native telling him of whipping a Tory detachment at Holman's Bridge on the South Edisto River while a member of Felder's company.

Apparently in some of the forays John Felder (Henry's son) was captured and later shot down while escaping from his British captors. The exact facts or validity of the fight at Holman's bridge is uncertain, however they were hardly uncharacteristic of most of the fighting that Felder would have seen in his district. Many a scrape occurred in the South Carolina countryside. There were no scarlet coats blazing in the sun or grand armies in these scrapes. Mostly personal encounters of a few adversaries and small skirmishes. Orangeburg Historian Alexander Salley noted only that Felder's company was probably a member of Colonel Rowe's regiment of South Carolina militia.
